## dedication

He is to us a friend, a figure of concern, an image of wisdom, and an inspiration to all who knew him. On our vast journey into knowledge we encountered a man who became the captain of our ship and because of his sincere dedication to his work, we do humbly dedicate this 1968 *Lotus* to Dr. S. David Frazier.

Sarah Scarborough, President

The Recreation Association enables athletic and sports-minded girls to participate in intramural activities. Sponsored by the Physical Education department, the Recreation Association plans activities to correspond with the seasonal events of the year. The Recreation Association sponsored both volleyball and basketball games with neighboring girls' schools. The intramural program included tournaments in volleyball, bridge, ping pong, tennis, and swimming.

## ADVISORY BOARD

A relatively new organization at Peace is the Student Advisory Board to the President. Organized by Dr. S. David Frazier, the board meets with Dr. Frazier to discuss various problems arising in student-faculty and student-administration relationships. The informal meetings, held twice a month, are a means by which ideas of the school government at Peace may be expressed, presenting both the pro's and con's of the groups concerned. The Advisory Board meets with the purpose of maintaining harmony among the administration, faculty, and student body.

M. B. Smith, S. Scarborough, D. Austin, S. Marion, J. Greene, S. Swain, C. Cambell, E. Howe, M. McGregor

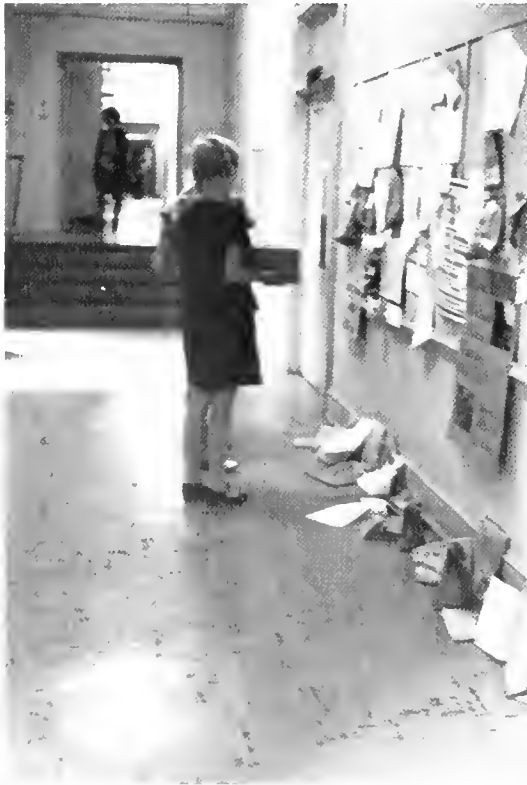

## INTER-CLUB COUNCIL

Formed by the presidents of the major clubs at Peace, the purpose of the Council is to keep all the clubs informed of the activities of clubs participating in the Council. An offspring of the Student Relations phase of the P.S.G.A., the Council has done much to better relations among the organizations at Peace.

Peanut Week

Courtney Campbell  
President

Matthew 5:42: "Give to him that asketh thee, and from him that would borrow of thee turn not thee away" is this year's theme verse for the Peace Student Christian Association. Throughout the year the P.S.C.A. plans and administers various projects which help to carry out the theme. This year the P.S.C.A. planned a Big sister-Little Sister Picnic, a Minister's Tea, Peanut Week, and a Week of Sharing to bring Peace girls and those they meet closer together. Through activities of this type the P.S.C.A. meets the spiritual needs of the student body and strives to help the students in finding their places as Christians in the modern world.

## DRAMATEERS

Enthusiasm and a natural ability to act are two qualities that accompanied the Peace Dramateers in their activities this year. Under the guidance of Miss Cecilia Turnage the club provides students and study dramatic arts. Working in unity and cooperation, the girls produce the plays and participate in them on or behind the stage. They presented two plays this year and encouraged any Peace students interested to participate. The winter production was a great success featuring the performance of "Two Little for Milo" on January 11 and 12.

## ART CLUB

An interest in art and a desire to preserve beauty are the main qualifications for Art Club membership. The club's project this year was to raise money to purchase pictures for the school. Interested in beauty, the Art Club is another means of keeping Peace attractive for her future students.

PAPYRUS CLUB

Arousing the student interest in creative writing the Papyrus Club encourages talented writers to submit works to the school's annual literary magazine. Discussing the submitted poems and stories the club seeks quality and style. The purpose of the club is to give students an opportunity to discover their own ability to write and also the creativity of others.

HOME ECONOMICS CLUB

The Purpose of the Home Economics Club is to stimulate interest in Home Economics and the careers involving it. Among the clubs activities this year was the furnishing of cookies for the students' Christmas caroling and a coffee hour for the faculty. The club's aim is to become affiliated with other states and national Home Economics College Clubs.

DELTA  
CHI

These Clubs offer creative students an excellent opportunity to express themselves. The members present traditional Christmas and May Day programs which add to the spirit of the season. The club offers to its members and audiences a modern interpretation of age-old themes and creative ability.

PORPOISE  
CLUB

YOUNG DEMOCRATS CLUB

In two or three years the members of the Young Democrats Club will be taking part in the government of their areas. The members are well acquainted with the principles of the Democratic party. In the future these young Democrats will be applying their knowledge of government to carrying out their roles as able and interested citizens.

YOUNG REPUBLICANS CLUB

The Young Republicans Club is composed of Peace Students interested in public affairs and good government. With strong convictions and a willingness to strive for higher goals, the club works hard during election years helping at the local headquarters. These members contribute greatly to our nation's political strength.

ALWAYS FIRST QUALITY

THE PENNEY STORY

*Why make such a big, big  
deal out of quality?*

By ROBERTA NASH

If you ever want to get a Penney man going, ask him why Penneys makes such a big deal out of quality. Then stand back.

I asked a Penney store manager the question once and when he finally decided I was serious, he said, "If I could use only one word to describe the phenomenon of Penney's, I'd pick the word, *quality*."

"Mr. Penney has always been a *fanatic* on the subject," he continued. "They say the only thing that still makes Mr. Penney angry is when someone suggests we compromise Penney quality to make a lower price."
